

7. Chiriboga Zurita Daniel Isai

Diamond

```
28      System.out.println("area -> " + area2);
29
30      triangle = new Triangle(4.3, 3.4, 3);
31      area3 = triangle.calculateArea();
32      System.out.println("area -> " + area3);
33
34      diamond = new Diamond(30, 16);
35      area4 = diamond.calculateAread();
36      System.out.println("Area -> " + area4);
37
38      diamond = new Diamond(35, 18);
39      area5 = diamond.calculateAread();
40      System.out.println("Area -> " + area5);
41
42      diamond = new Diamond(25.6, 12.2);
43      area5 = diamond.calculateAread();
44      System.out.println("Area -> " + area5);
45
46  }
```
